## Transportation

To and from the park

### By the trains and buses we organize

The booked trains leave at 10 am from Budapest on Saturday and Sunday. 50% discounts for these tickets.

Since there will be many friends taking the same train, it is important that you arrive at least 25 minutes before (9.35). Rented buses will take you from Albertirsa to the Park. When you get off the train you have to turn right in the underway to get to the buses, as seen on the map below. There will be signs as well.

The buses will leave the Park at 21:00 both evenings back to the train station and the train will bring you back to Nyugati Railway station. If you want to leave the Park before the buses leave, please let us know and we can take you to the train station in Albertirsa.

### By car

If you come by car or rent a car take road No. 4. from Budapest to Albertirsa, then 8 km more in the direction of Mikebuda. Or take the highway M5 from Budapest to Dabas/Albertirsa'exit, then continue in the direction of Mikebuda. The address of the Park is Mikebuda, Mikebudai ut 8.

### If you miss the 10 o'clock train

Train goes from Nyugati Railway Station in every hour to the city called Albertirsa (after Pilis station) close to the Park (9 km).

Timetable of the train: <http://elvira.mav-start.hu/elvira.dll/x/index?language=2>

If you want to leave the Park after the buses leave at 21:00 please be aware that the last train leaves at 23:00 from Albertirsa back to Budapest.

If you come by train from Budapest or the airport to Albertirsa, we will arrange a minibus for you to take you to the park (8 km). If you need help, call Attila +36 30 651 6317 or Tony +36 30 675 0181.

#### Airport » Park direct route

The closest train station from Budapest Airport Terminal 2 is Ferihegy, with trains operating to Albertirsa. Take the shuttlebus 200E in the direction of Kőbánya Kispest/Budapest, and get off at „Ferihegy Vasútállomás”. When you get off the bus, you will see a bridge over the road to your right. Cross the bridge all the way to the end and take the last stairs down again, there will be a sign saying, 'Cegléd felé'. You can buy a ticket underneath the stairs at a booth or a bit further up the platform from ticket machines. Buy a ticket to Albertirsa (ca. 750 ft).

There is a train to Albertirsa every half hour. You can take trains in the directions of Cegléd or Szolnok. They will take you directly to Alsbertirsa in ca. 40 minutes. (Let us know when you arrive, so we can get you to the Park).

## In Budapest

#### By Public transportation

Usually crowded. You are supposed to validate a ticket whenever you change to another vehicle (except in the metro). Controllers are rather unfriendly. Last metro and tram are at around 23.15 p.m., but they're replaced by night buses on the most frequent lines. Trams 4 and 6 goes night and day.

One single ticket costs 350 HUF (1.1 Euro). We propose to buy a book of 10 tickets for 3000 HUF (10 Euro) at the Airport when you arrive. In the city the easiest to buy tickets is by metro stations. On the buses usually you can buy ticket from the driver too, it's slightly more expensive (450 HUF).

#### By taxi

Taxis are yellow. Taxi companies: City Taxi: (+36-1)-2-111-111 (English), Budapest Taxi: (+36-1)-7-777-777, Fötaxi: (+36-1)-2-222-222. It's recommended to call a taxi by phone in the city. All official taxi companies have the same fix tarif. Basic fee 450 HUF(1.5 Euro), fare 280 HUF/km (0.9 Euro).

Even if it is not allowed still exist private taxis and they are also yellow, so beware of them, as they can charge very high amounts (especially if they see you're a tourist).

#### Airport

#### Airport » Bp by public transport services of BKV

##### Airport-city centre shuttle bus service - 05:00-01:20

They collect passengers traveling to more or less the same place. Downtown Budapest will be about 10 Euros. More info: <https://www.bud.hu/en/passengers/transport>

**Budapest » Airport by taxi** | One airport transfer costs appr. 7700 HUF (25 Euro) from city center to Airport. Please call FÖTAXI +36-1 2-222-222. Please be aware of exposing yourself at risk by using non-regulated taxi service providers soliciting at the terminal buildings.

## How to survive in Hungary

**Weather** | In the Park it's usually more cold and windy than in Budapest. The nights can be chilly, so please bring some warm clothes with you.

**Currency** | The local currency in Hungarian Forints (HUF). In Budapest in the biggest shops you can pay with Euro, but the exchange rate is usually very bad. In the Park you can pay the registration/dinner with Euros. In Budapest bank cards are widely accepted and there is many ATM-s in the center of the city. If you stay in Albertirsa you can pay the accomodation only in HUF. There are some ATM-s in Albertirsa too.

To change money we suggest the center of the city e.g. around Nyugati pályaudvar there are several exchange places where the rates are better. If you come to the Park or Albertirsa directly from the Airport you can change money at the Airport BUT the rate is not good. At the airport it's better if you pay by bankcard when you buy the bus tickets.

**Safety** | In Budapest: Beware of pick pockets. Never take a taxi which doesn't belong to a taxi company. Pedestrians always lose against car drivers and bikers, therefore watch your steps.

**Prices in general** | A coke, a mineral water and all kinds of soft drinks are around 400 HUF (1.2 EUR). A box of cigarettes is between 1000-1500 HUF (3-4 EUR). The taxi is around 3000 HUF in the town (9 EUR). The price of food in restaurants are very different. You can find prices from 2000 HUF to the stars, but for around 3000 HUF (10 EUR) you can have a good lunch or dinner.

**Cigarettes/Tobacco** | There are designated shops called Nemzeti Dohánybolt (National Tobacco Shop) the only places where you can buy cigarettes or tobacco.
